♪ Tips for Band:

- **This song is informed by the Southern Gospel tradition, although it can also be performed at a faster tempo in a CCM/Rock style (or other styles, such as LatinSongo!). Listen to songs in these styles to be able to replicate the styles as authentically as possible. This is important for BOTH vocalists AND instrumentalists.**
- **Psalm 89:1 is the verse on which this song is based.**
- **Vocalists: If necessary, talk with a fluent French speaker to help with pronunciation of the French lyrics. :-)**
